

THE 9TH ANNUAL

CROWN RANCH

PRODUCTION SALE
DURING THE NCHA FUTURITY SALES

Welcome to the 2022 NCHA Futurity and our ninth annual Crown Ranch Production Sale. This year I have featured the offspring of our very best mares, and I look forward to getting these colts placed into top programs for the coming year.

Each year I try to use this letter to give thanks to those who have been so influential in my cutting career. This year I want to highlight the single person most responsible for any successes the ranch and my family has had in life— My wife Amie.

Years ago I came across an article written by Charlie Munger, the lesser known half of Berkshire Hathaway. The title was “The Best Investment Advice Ever.” I anxiously clicked on it, ready to be enlightened on how to make a fortune and become wealthy. The story took an unexpected twist stating the most important decision in life, far greater than any investment choice, is the spouse you choose. I think about that story often and how blessed I am to have gotten this choice right.

While it has been me or my boys on the cover of the Chatter or having our name called out on finals night, she is really the one that deserves the credit. She was there in the loping pen the night I first won the Futurity on Jerryoes twenty one years ago, and she was there on every late night after school drive to get our boys to a youth cutting halfway across the state the past ten years. She’s been the one behind the scenes making my boys gentlemen and has helped them to look at the world through her lens, which is full of love and kind in every way.

To quote Munger again, “The best single way to find a good spouse is to deserve a good spouse.” Amie has been driving me and pushing my boys to be the best we can be for over half my life, and I’m thankful for her in so many countless ways.

Thank you again for considering our 2022 offering. I look forward to showing them to you and answering any questions.

Happy Holidays,
Chad Bushaw
